Itinerary

Day 1: AUCKLAND, NEW ZEALAND

Take in the true scale of Auckland's magnificent cityscape by ascending 192 metres to the Sky Tower. Immerse yourself in the rich history and culture of the area at Auckland Art Gallery, Toi o Tāmaki.

Day 2: TAURANGA (BAY OF PLENTY), NZ

Mount Maunganui is a fittingly dramatic welcome. Brooding, geothermal energy creates spectacular natural attractions across this region, while plunging waterfalls, and fascinating Maori culture ensures that the Bay of Plenty has a lot to offer visitors.

Day 3: AT SEA

Day 4: WELLINGTON, NEW ZEALAND

There are shows to see, art installations to enjoy, and rich flavours to savour here. The sounds of rare and beautiful birdlife fill the hills around the city, and the bush of the green belt provides easy-to-access sanctuary, strolls and cycle rides.

Day 5: PICTON, NEW ZEALAND

Picton provides an attractive link between New Zealand's two main islands. Browse art studios and galleries, while nursing your freshly ground coffee. Wander Picton Memorial Park, among palm trees, bright flowers and benches that sit before sweeping views of the Sound.

Day 6: LYTTTELTON (CHRISTCHURCH), NZ

The rebuild of the country's oldest city continues apace – following the earthquakes that devastated it in 2011. Colourful street art adds an edge to the city, while shiny new bars and restaurants contribute to the sense of revitalisation and renewal.

Day 7: TIMARU, NEW ZEALAND

The diverse museum exhibits everything from aviation history to hunting wares and whaling tusks – and the town boasts the third biggest art gallery in all New Zealand. Lake Pukaki is a hot spot for cinematic fantasy landscapes, including settings where scenes from The Hobbit films were shot.

Day 8: STEWART, ISLAND

The majority of Stewart Island has been claimed by dense forests, which conceal wonderful wildlife watching opportunities, and reveal isolated coves and dramatic cliffs. With only 15 miles of road, the best way to see the rugged beauty is by crunching along seaside trails.

Day 9: DOUBTFUL SOUND & MILFORD SOUND

Incredibly beautiful, wild and remote, the region is an intriguing combination of rugged mountain ranges, dense rainforest, solitary alpine lakes, sparkling rivers and splashing waterfalls.

Days 10 & 11: AT SEA

Day 12: BURNIE, AUSTRALIA

Some of the world's purest air – and the breezes here are purified by miles of uninterrupted ocean. Tasmania itself is a place of sweeping National Parks, soaring granite mountain ranges, and lakes reflecting spectacular scenery in glass-smooth surfaces.

Days 13 & 14: MELBOURNE, AUSTRALIA

The city center is an orderly grid of streets where the state parliament, banks, multinational corporations, and splendid Victorian buildings that sprang up in the wake of the gold rush now stand. Federation Square—with its host of galleries—has become a civic landmark.

Day 15: AT SEA

Day 16: EDEN, AUSTRALIA

Known for the migrating whales that cruise through its waters between May and November, Eden sits in New South Wales' scenic Twofold Bay. Many fascinating stories reflect a symbiotic relationship with the whales.

Day 17: SYDNEY, AUSTRALIA

Make the legendary climb up the smooth curve of the bridge – nicknamed the Coathanger – to soak in the shining city's spread from a unique perspective. Wander the Bondi to Coogee coastal walk for more of this sun-gorged stretch of prime coastline. Drop in on wildlife sanctuaries caring for the country's animals – from cute kangaroos to adorably cuddly koalas.
