

Australia and New Zealand

Cruise New Zealand and Australia

From the Great Barrier Reef to the oldest living civilization, Australia is a land of unparalleled excellence. There are jumping kangaroos, cuddly koalas and scenery few places on earth can match. It's hard to imagine anything more beautiful than the Kimberley coast or Ayer's Rock at sunset. Unless it's New Zealand with her stunning Lord of the Ring landscapes. Our New Zealand cruises show off the Sub-Antarctic to its very best. Silversea's cruise holidays in Australia and New Zealand are a true pelagic wonderland.
