TOUR CODE 3CAMGBOJPN • 7 DAYS • TOKYO YO KYOTO • FROM CAD \$3319 PP

On this 7-day vacation, we've arranged hotel accommodations for three nights each in Tokyo and Kyoto, as well as private guided sightseeing in each city, breakfast daily, and a bullet train ride from Tokyo to Kyoto. Plus, in each city, an expert Local Host is on hand and at your service to ensure your trip runs smoothly, to answer your questions, and to help you put your own personal stamp on your vacation. Embark on a private guided sightseeing tour using Tokyo's famous subway system. You will see the Meiji Shrine, a 20th-century Shinto monument built within a man-made forest; the Samurai Museum, where you can learn about Japanese history and see authentic swords and armor; visit the bustling Nakamise Shopping Arcade; and one of the city's most colorful temples, the Asakusa Kannon Temple. A highlight of the vacation is the Shinkansen (bullet train) ride from Tokyo to Kyoto. Between the nearly 200-mile-per-hour speeds, this is, by far, the most entertaining way to travel between cities. Enjoy a guided sightseeing tour that includes visits to Sanjusagendo Temple and the beautiful Temple of the Gold Pavilion. Built on a lake and surrounded by a thick forest, the image of the temple's reflection in the water is a must-take photo. You'll also walk through Gion and explore the thousands of Torii Gates at Fushimi Inari Shrine. In your free time, hop aboard a rickshaw for a ride through the Old Town, visit nearby Nara, join a Japanese cooking class, attend a sake tasting, or indulge in some of the country's finest Japanese cuisine.
